

ARKING CHARGES

**ALL UNISON MEMBERS
HQ COMPLEX & ABBEY HOUSE
TO BE BALLOTTED FOR ACTION**

UNISON members will soon be balloted following proposals to introduce charges to staff for parking at HQ and Abbey House.

These proposals are nothing other than a tax on an already demoralised workforce. The Terms & Conditions agreement reached in 2009 promised the introduction of a Car Pool Scheme which hasn't materialised – how much more can you take?

Members affected by these proposals are invited to meetings taking place on THURSDAY 3rd MARCH in the Branch Office at 12.00noon, 1.00pm or 5.00pm.

You are urged not to sign any agreement in relation to the car parking charges at present – this matter is now the subject of a formal dispute.

These charges are unfair, selective and there is no guarantee that a parking space will be available when you need it!

UNISON has already commenced discussions with the Council and both sides will attempt to reach agreement to avoid Industrial Action.

WE SHOULDN'T HAVE TO PAY FOR ITS CONSEQUENCE**
